

Six Sigma (Yellow Belt)

(February 15-16, 2019 at Islamabad)

OVERVIEW:

National Productivity Organization, Ministry of Industries & Production announces two-day training program on "Six Sigma Yellow Belt" at Islamabad.

The Six Sigma Yellow Belt training is designed to provide delegates with a good high level understanding of Six Sigma methods and prepare them to participate, as contributors, to Six Sigma projects. Yellow Belts are not experts in the methodology, but understand the activities, deliverables, and key concepts of Team problem solving.

Yellow Belts are also expected to help identify potential improvement opportunities in their organization and provide Subject Matter Expertise to support Green and Black Belts.

Yellow Belt training is also the entry level for Green Belt certification, so delegates can choose to continue on their Six Sigma journey once they have had an opportunity to appreciate how these methods can deliver Business benefits to their organization.
